

JAMSHEDPUR WOMEN'S UNIVERSITY

CERTIFICATE COURSE IN SPANISH GUITAR

(1 Year Programme)

ADMISSION INFORMATION

INTRODUCTION

Playing the guitar can help you to relax and release the stresses of the day. As you progress with learning to play the guitar, you will develop your ability to accurately express and release your emotions through playing, which can be very therapeutic. Sitting with a guitar and learning to strum the chords to a favorite song helps improve concentration and increase attention span. Learning to navigate the fret board will help develop your hand-eye coordination as your hands, fingers, and mind work together to combine notes, chords, and scales. The instrument helps you express yourself and acts as a creative channel to communicate your feelings to others or even just to yourself.

Sl.No	Information	Dates
1.	Eligibility for Admission	Bachelor Degree with any stream (Art, Science and Commerce) with 45% Marks
2.	Fee structure	Rs 15,000 /- Per semester
3.	Course Duration	2 Semesters

Jamshedpur Women's University

Certificate Course in Spanish Guitar

Benefits of Learning Guitar

Playing the guitar can help you to relax and release the stresses of the day. As you progress with learning to play the guitar, you will develop your ability to accurately express and release your emotions through playing, which can be very therapeutic. Sitting with a guitar and learning to strum the chords to a favorite song helps improve concentration and increase attention span. Learning to navigate the fretboard will help develop your hand-eye coordination as your hands, fingers, and mind work together to combine notes, chords, and scales. The instrument helps you express yourself and acts as a creative channel to communicate your feelings to others or even just to yourself.

IN
GUITAR (SPANISH)**

**JAMSHEDPUR WOMENS UNIVERSITY
DEPARTMENT OF MUSIC**

**ONE YEAR CERIFICATE COURSE IN GUITAR
(SPANISH)**

About the Course

Students will learn an easy approach to get you playing quickly, through a combination of exploring the instrument, performance technique, and basic music theory. The course begins simply with the parts of the guitar, the names of the strings, tuning, and technique—whether finger-style or pick. It then explores the basics of music theory with such topics as scales, triads, power chords, and fingering and shapes. At the end of this course, students will understand the structure, parts, and accessories of the instrument, in addition to an understanding of its basic maintenance. Students will also learn to develop correct technique and apply theory concepts to their playing. They will have the foundational knowledge necessary to pursue most intermediate guitar courses.
