Dear Students,

We are passing through very challenging times when the Corona-19 pandemic has gripped our nation as well as the entire world.

It is crucial that we realise that this unprecedented situation necessitates that we stay physically and mentally healthy by overcoming excessive worry, anxiety, depression, stress and other related mental health conditions that have been the fall out of the lockdown which was necessary to prevent the spread of the disease. As students you have been advised to stay at home, practise social distancing and continue with your studies through remote learning.

In accordance with the advisories being issued by the MHRD, Govt. of India, the Secretary, UGC, the Chancellor of the Universities of Jharkhand, the HRD, Govt. of Jharkhand and the Vice-Chancellor, Kolhan University, we have initiated all measures of distance learning online- video, audio, WhatsApp classes -to help you all ease the tension of syllabus completion. We believe you are reaping the benefits of such measures.

The outbreak has necessitated the postponement of examinations but be assured that as and when the situation improves and there is transition to normalcy we will make every effort to see that the examinations are held at the earliest and that your plans for higher studies and a career remain on track.

For some students the impact of the lockdown is stressful and the management of this stress might prove to be difficult. It is during such times of crises that the college is prepared to address your concerns and help you remain calm and stress free. We are setting up helplines to provide you with information and support to help you get through these difficult times, the names, nos. and mail-ids of which are given below:

1. Dr. Nupur Palit, (Dean, Students' welfare)- 9431111825/ nupurp\_55@yahoo.com
