

Environment & Water Management
JAMSHEDPUR WOMEN'S COLLEGE
DIRECT ADMISSION [Contact no:8757499676; 9693565271]

Vision:

To nurture potential women Environmentalist is a state wise Culture of Environmental Literacy and stewardship.

Introduction:

With the country is racing ahead for the development issues like pollution, deforestation, soil erosion & global warming arriving serious concerns. Keeping in this view, Jamshedpur Women's College had introduced a three years degree course in "**Environment and Water Management**", science 1996.

Scope & Opportunities:

After Government mandate, it is mandatory for all the firms to have at least one environment specialist. Consequently, industries recruited environment science graduates and Water management graduates. As we know India is a fastest developing country out of the world, in other words we can also say it is an Industrialization movement stage. In this context, it is observed that more job opportunities will be raised in future for specialists in the field of "**Environment and Water Management**".

most of the students who passed out from our department are pursuing their higher studies in INDIA like Kalyani University, IISBWM, Kolkata, Bharthi vidyapith, Pune, Bilaspur University, Jamia Milia, New Delhi etc.
